# Our French Courses

Our program includes **20 hours** of teaching time per week for a solid learning.

## General Courses 10 hours/week

Our teaching team creates original, up-to-date content for a variety of courses, limiting the use of current textbooks while respecting the reference framework for languages.

## Workshops 4 hours/week

We offer one-hour workshops to enrich general courses, clarify lessons, and provide more time for discussion, oral expression, pronunciation, French culture and DELF/DALF preparation.

## Tutorials 5 hours/week

The tutorials are exercise sessions to practice course topics and work on gaps in knowledge, with a teacher present to answer every question.

## Cultural outings 2-4 hours/month

Each month, we visit a cultural place, like a museum or explore the unique streets of Paris with a pedagogical guide.

# 1 session = 1 level

## 1 session = 11 weeks of classes

At IS-DBA, you'll see a genuine improvement in your French after just one session. We structure our courses over 11 weeks per session and per level. Our approach guarantees you rapid, solid progress in your learning of French.

**Spring session:** March 31 - June 22, 2025

**Summer session:** June 23 - October 5, 2025

**Fall session: October 6 - December 21, 2025**

It takes 6 sessions to progress from beginner level (A1) to autonomous level (C1), i.e. around 1.5 years.
